Must really be a responsible kind of guy. Us men, have this thing about not wanting to look weak to our loved ones. So, we tend to not say anything half of the time.
But the irony is that not talking about it makes us really weak.

Ahh...!

Uh, uh I'm not saying your husband is weak or anything...!
I'm just saying there are guys like that'll! You know, just...!
I.. know. It's okay.

If if if if it's not that, it's I'm a man! That sort of pride..! he could be one of those guys!

YOMANGA.CO

But he's not like that either. He's really soft spoken.
Come on, now, you'll make him sad
Not everyone can be all macho like the guys you see on TV

Thank you
